ROSSO DI MONTALCINO DOC 2017

“This is a fragrant Rosso di Montalcino, reminiscent of a pinot, with roasted herbs, cedar, rose petals and tea leaves. Shows good depth and definition on the palate for a Rosso and frames loads of forest fruit in a sleek case of firm yet ripe tannins. Drink now”.

“Rose, crushed thyme and forest berry aromas swirl around in the glass. The smooth, approachable palate offers fleshy Morello cherry, cranberry and licorice framed by polished tannins. Drink through 2022”.

ROSSO DI MONTALCINO DOC 2018

“Subtle aromas suggesting wild red berry and tilled earth form the nose, along with whiffs of toast and coconut. The rather lean taut palate evokes coffee bean, orange rind and dried cherry alongside firm acidity and dusty tannins that leave a drying finish”.
